

# CEO BIKE BUILD

Help young people get TRACTION | Be part of the CEO Bike Build

## EVENT DETAILS

Date: Friday 10th September 2021

Time: 9am – 1pm

Where: Multi-User Terminal, End of Seafarers Street, Port of Brisbane.

The CEO Bike Build fundraising event pairs TRACTION participants with corporate, private and public sector leaders in an environment of shared experiences, learning and a little bit of healthy competition.

Teams assemble a new bicycle together, but with a twist! The TRACTION participant plays the lead role, guiding their CEO partner to get the job done.

Funds raised help TRACTION empower young people and the bikes built on the day will be donated to TRACTION.

## REGISTER NOW

<https://ceo-bikebuild.traction.community/register>

To enter the CEO Bike Build, CEO participants &/or the organisations they represent are expected to raise \$5,000 for TRACTION, through personal fundraising, a corporate donation, or a combination of both.
